Sunrise-The Great Bicycle Give-Away Contest

This spring Sunrise Credit Union has a contest running for all our HeadStart account owners. Each time they came in to make a deposit they could enter their name to win a \$250.00 for a bike purchase this was to encourage youth to start saving early, while learning the ins and outs of depositing money, collecting interest and saving for the future. Jesse Brown was Waskada's winner and was photographed with the bike we had on display from Boundary Consumers Co-op with our branch manager Tanis Bennie.

Sunrise – Museum Donation

On June 1 2018 Sunrise Credit Union celebrated 25 years of a credit Union being in the Waskada Community. There was a BBQ held of pulled pork, hot dogs, macaroni salad, coleslaw and cake served. There was a donation box held at the BBQ to raise funds for the Waskada Museum, at the end of the BBQ there was a total of \$635.10 raised, the Waskada Credit Union Staff donated \$114.90 and Sunrise Credit Union matched that deposit with \$750.00 for a total of \$1500.00 donated to the Waskada Museum. We would like to say a big thank you to all of our members and the community for coming out to help celebrate our 25 year anniversary and for donating to the museum.

Bridging Brenda Vol. III

We are making progress and are very excited by the many personal histories and business write-ups received, thank you!

We have set **August 1** as a final date to accept submissions. This will be your last chance to be part of the new history book.

We continue to accept \$50 deposits to pre-order history books. Send cheque to Box 146, Waskada, MB R0M 2E0

Please check on our Facebook page to see pictures, requests and updates.

Thanks for your support, have a great summer!

Waskada Museum - (notes)

The Waskada Museum committee wishes to thank the organizers of the Sportsman's Dinner for their financial support. Thank you also to the Sunrise Credit Union for allowing us to be part of their twenty-five year celebrations on June 1st in Waskada and for the funds raised on our behalf. Tundra Oil and Gas has also again donated generously to the museum. These donations will go a long way to help us maintain the operation of the museum, make building repairs, hire a student for the summer, pay electrical bills, and carry out capital projects. This community support is essential and provides a great deal of encouragement to the Museum Committee to continue its work. We are always looking for new ways and means to improve displays and look forward to constructive comments from the public.

We want to thank the individuals who helped us on June 1 ~ those who volunteered on their own and the Lions' Club members who responded to our call for help. This allowed us to open up all six buildings at once and provide the opportunity for over a hundred visitors to see what our museum has to offer. The extra effort of Dan Meggison at the blacksmith shop also needs to be applauded!

This summer we will be open to the public again: weekdays from 9:30 - 4:30 and weekends from 100 - 4:00. Our summer student is Ethan Radcliffe. Come and say hi to him and take a discovery tour through the museum!

WASKADA & DISTRICT CHAMBER OF COMMERCE

Normally a membership to the Waskada and District Chamber of Commerce would be purchased at the Annual Meeting. This year, the Annual Meeting was changed in that the chamber meeting became part of the Sportsman's Dinner. So, the collection of memberships did not happen.

We still need memberships to be paid (to Margie Hannah – Treasurer) especially for those involved in the MB Chambers Group Insurance plan for that insurance to remain in effect. They do inquire as to the Membership Roll, and if you are not member of our local group, then you cannot be in the Insurance plan.

The membership fee is \$25.00 and is actually due in January of each year. Please send your cheque made out to Waskada and District Chamber of Commerce as soon as possible.

Thank-you

Margie
