Our club members were super busy this year!

On Jan 11/19 it was the Wheat Kings Salute to 4-H hockey game. Jesse, Merrik & Maddox Menkema, Seoul & Ravi Tilokani, and Callie Ginter went to the game.

Jan 25/19 we had a Club meeting & Communications workshop. It was really fun because we got to say a little speech.

Feb 11/19 was our Club Communications competition. Many people did speeches and some did visuals.

Feb 24/19 was the Southwest Area Curling event that Ethan, Bennett & Dylan Radcliffe, George, Jillia & Sarah Meggison, and Oliver Hatt attended.

Feb 27/19 was the Zone level Communications competition. From our club the following attended: Cloverbud Speech: Eve & Remi Campbell, Junior Speech: Corsen Downey & Dylan Radcliffe; Junior 1 person visual: Lexie Downey & Millie Wilkinson; Intermediate Speech: Bennett Radcliffe & Sarah Meggison; Senior Speech: Jillia Meggison, Senior 2 Person Visual: Ethan Radcliffe-George Meggison team.

March 8/19 was the Fun in the Snow/tobogganing activity & meeting. It was really snowsome!

March 16/19 was the Area level Communications competition in Brandon. From our club the following attended: Cloverbud Speech: Eve & Remi Campbell, Junior 1 person visual: Lexi Downey; Intermediate Speech: Bennett Radcliffe & Sarah Meggison; Senior Speech: Jillia Meggison, Senior 2 Person Visual: Ethan Radcliffe-George Meggison team. Unable to attend were Corsen Downey & Millie Wilkinson.

March 17/19 was the Area Food Challenge that Callie Ginter & partner Teagan Maddess of the Dand Belles & Beaux club attended.

March 23/19 was the Southwest Area Cloverbud & Junior Member Halloween & Bowling event that Callie Ginter attended.

April 26/19 we had a club meeting & Scrapbooking work bee. We made pages about ourselves.

April 27/19 was the Provincial Level Communications competition in Portage. Senior 2 Person Visual: Ethan Radcliffe-George Meggison team participated.

May3-5/19 was the Provincial Intermediate Member Camp at Inglis & Assesippi. Rylee Kehler, Bennett Radcliffe, Sarah Meggison were participants and Ethan Radcliffe was a Senior Member Chaperone.

May 25/19 was 4-H Highway Clean-up, club meeting & hotdog barbeque lunch. We had to walk a mile picking garbage.

On June7/19 we went to rally in Boissevain. It was awesome! The workshops were cool! Some of the workshops were global foods, food challenge, tie dye shirts, sand paper crayon t-shirts, bowling, minute to win it and re-use it craft. We had lunch and marched in the parade, went to the noon show and watched a poultry demonstration.

Farmer's Market

It is time for the Farmers Market to start again. We had such a wonderful time at the rink last year, we are returning to do it again.

Date: Wednesday, July 3rd start and each Wednesday throughout the summer.

Time: 11:00 – 1:00pm

Where: Waskada Rink

FELLOWSHIP COMMUNITY CHURCH INVITES YOU!

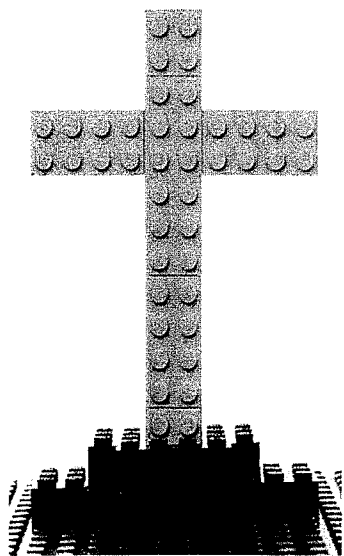

BIBLE BRICKS

THANK-YOU SUNRISE CREDIT UNION & COMMUNITY

The Waskada Community Food Store manager, staff and board members would like to "Thank" the Sunrise Credit Union staff from Waskada and other district/regional areas of SW Manitoba, for hosting a BBQ on June 13, 2019. They paid for the food and drinks and all the proceeds went to the WCFS. We would also like to acknowledge the community and school students who attended this event. It was greatly appreciated. The money that the store receives will be used to help purchase a new till.

DONATION WITH TAX RECEIPT FOR WCFS

At the end of April, the Municipality of Brenda-Waskada discussed having the office issue tax receipts for donations made to the WCFS. This idea has been approved and now all are welcome to make a donation to our community grocery store. All you have to do is go to the Municipality of Brenda-Waskada office on Railway Ave. in Waskada or mail your cheque to the office, and their staff will assist you with your donation. Be sure to make the cheque out to the Municipality of Brenda-Waskada.

Sign-Up Sheet For Pre-Ordering Meat

The grocery store now has the following meat available from Doug Morningstar

- hamburger patties, bacon and sausages and steak. Please ask the store staff about sign-up sheet for pre-ordering. This is great meat for summer BBQing.

News

We go to the Brendelwyn Lodge and Delwynda Court PCH on the third Friday of each month. We are always grateful for people who like to sing or play or help residents find the right page. Contact Fran Dickinson for more info.(673-2468)

Save The Date

There will be no church services on June 30th and for all of July. Regular services start on **September 8th at 9:15 am.**

Joint Worship Services will be held at 7:30pm on Wednesday evenings in the following communities.

August 7 – Lyleton

August 14 – Pierson

August 21 – Waskada

August 28 – Lyleton

September 1 – No Service

Our next board meeting will be on September 3rd at 8:30 am.

Kicking off another season with the Manitoba Burrowing Owl Recovery Program

Working in cooperation with Turtle Mountain Conservation District

By: Nicole Frederiksen

On May 9th, six pairs of Burrowing Owls were brought out to two different release sites in the southwestern Manitoba. They were placed into soft release enclosures to allow them to acclimate to the new environment and begin nesting. The owls are fed and monitored by MBORP staff daily at this sites.

Nesting started around May 28th. As of May 30th, the total number of eggs was 15 in 5 nests. Burrowing Owls have a high reproductive rate and can produce large nests (9-13 eggs in a clutch). Not all of these eggs hatch and if they do, generally only 70% of young will survive. The female begins incubating eggs around 28 to 30 days. Burrowing Owls hatch their eggs asynchronously, which means they do not all hatch at once but depending on when they were laid. This leads to having young that are different ages, varying by 1 to 2 days between each young. Newly hatched Burrowing Owls weigh only 8 grams which is the weight of 8 paperclips and come out of an egg the size of a ping pong ball.

We conduct roadside surveys for wild Burrowing Owl annually during the breeding season (May through August). These surveys allow us to detect wild owls and help us determine where the best potential habitat for Burrowing Owls is located throughout southwestern Manitoba. In order for land to be considered suitable habitat for Burrowing Owls, the area needs to be open, grazed pastureland with no trees, with good drainage and visible burrows. We keep track of suitable habitat and contact landowner to discuss options of installing artificial nest burrows (ANBs) on the land to encourage wild owls to nest in these protected homes should they return to the area. ANBs consists of a section of weeping tile that mimics a badger or fox burrow and has a large plastic bucket installed 5-8 feet deep in the ground. Burrowing Owls like nesting in artificial nest burrows, we have observed nest re-occupancy rates of 44% vs. 13% for natural burrows.

We encourage landowners with an interest in improving their land for Burrowing Owls and other grassland birds to contact us. We would be happy to complete a quick survey of your land and to discuss options for artificial nest burrow installations. If you are interested in improving your land or have any questions, feel free to contact Turtle Mountain Conservation District (204) 747-2530 or email us at mbburrowingowls@gmail.com.

If you hear or see a Burrowing Owls on your land, don't hesitate to call either, Turtle Mountain Conservation District at (204) 747-2530 or West Souris River Conservation District at (204) 877-3020. If you are interested in keeping up with what is happening with the program this season please follow our social media at the Manitoba Burrowing Owl Recovery Program on Facebook and @koko_theowl on Instagram. We also have a website at www.mborp.ca that has more information about our program.
