### **THANK-YOU SUNRISE CREDIT UNION & COMMUNITY**

The Waskada Community Food Store manager, staff and board members would like to "Thank" the Sunrise Credit Union staff from Waskada and other district/regional areas of SW Manitoba, for hosting a BBQ on June 13, 2019.

Waskada Sunrise Credit Union staff presented WCFS store manager and board members with a cheque for \$2,000 on July 26<sup>th</sup>.

The money that the store received was greatly appreciated and has been used to purchase a new till system.

### **DONATION WITH TAX RECEIPT FOR WCFS**

In the past few months WCFS has received \$775 in generous tax free donations. This money has also been put toward purchasing the new till system. When donating to our community, please consider the grocery store.

All you have to do is go to the Municipality of Brenda-Waskada office on Railway Ave. in Waskada and their staff will assist you with your donation.

### **SWITCHING FROM PRATT'S TO SOBEY'S PRODUCTS**

WCFS board wishes to announce that during the week of Sept. 23rd the grocery store will begin to sell Sobeys' Compliment products as well all other regular products. Please stop by and check out these new products and new in-store design. We are thankful for your business and hope you continue to shop locally as much as possible so we can keep our community store operating. Feel free to pre-order or ask about ordering any products. Orders will also be accepted by using the WCFS email address above. Watch for new flyers.

### **NEED FOR NEW BOARD MEMBERS**

The WCFS requires 2 new board members. These positions need to be filled by Nov 28<sup>th</sup> at the general annual meeting. Please consider this request to help manage our community store. For further information contact Leanne Hannah-Kehler (204-741-0786) or Tim Palmer (673-2473).

# HOT LUNCH WASKADA SCHOOL VOLUNTEERS NEEDED

Waskada School offers a hot lunch program to its students every Thursday starting October 3 until the end of May. The parents of the students are asked to volunteer 2-3 times per school year to work at the hot lunch. However with more parents working full-time jobs it is becoming difficult to have enough help.

**We are looking for community members willing to have their name on a list to call upon when extra volunteers are needed.**

Duties include helping prepare and serve the meal.

Time required depends on the meal being served

(no earlier than 10:30-approximately 1:00 pm)

**Please contact:**

**Hot Lunch Coordinator: Sharlene McGregor (673-2344 or 522-6545) or  
Waskada School: 204-483-6297**

Also looking for donations of cutlery (forks & spoons) to use for the hot lunch program instead of using plastic utensils. Please let Sharlene or the school know if you have anything you can donate.

*Thank you for your help!*

# Waskada's Mystery

## Can you help?

There was a time box put away for safe keeping either in 1967 (Canada's 100<sup>th</sup> birthday) or 1970 (Manitoba's 100<sup>th</sup> birthday) in Waskada. There were memorabilia put in the box pertinent to that time period. We believe the school population was involved as well. The problem is that no one can remember where it was put for safe keeping! This year is Manitoba's 150<sup>th</sup> birthday so people are looking to find this box. If you can help solve this mystery your ideas would be more than welcome. Please email ([office@brendawaskada.ca](mailto:office@brendawaskada.ca)) or call our office at 204-673-2401 with your ideas and we will pass them on to the appropriate people.

# Farmer's Market

Another successful Farmer's Market year has ended.

A **HUGE THANK YOU** to The Holinaty's for letting us use their kitchen. It turned out to be another very successful fundraiser for our groups and that would not have happened without Joanne and her staff - so thanks very much Joanne.

Thanks to everyone that came out and supported the Market again this year. We had a great assortment of tables for everyone to choose from. Great to see so many vendors.

It was a wonderful summer and hope to see you all again next year.

Thanks Again!

The input and feedback from residents is essential for helping the Planning Team to better understand your community, to hear directly any issues or concerns you may have that impact your quality-of-life, and to learn what your hopes and expectations for your community and the future of the Southwest Planning District as a whole.
