# Waskada Museum

The museum has had another successful year, ending with its annual meeting on Nov 25<sup>th</sup>.

The school reunion in June and the Brooks-Perrin family reunion in August were the highlights of the summer for the volunteers who enjoyed conducting tours and visiting with guests. Dan Meggison was able to fire up the forge in the Blacksmith Shop on both these occasions. Many memorable "discoveries" were made by the visitors as they viewed the displays. Thanks to the organisers of those events for allowing the museum to be a part of their celebrations.

The museum was open in July and August and by request for 64 days, and we were able to welcome about 200 visitors. Our sources of income were the Community Museums Grant (operating grant), the Canada Jobs Grant (summer student), admission fees and private donations.

We have completed the upgrading of the cataloguing system, done some repair work on the Blacksmith Shop, rearranged displays in Display Bldg #4, attended the Turtle Mountain Souris Plains Heritage Association annual meeting to discuss museum promotion on their website and attended the Westman Regional Museum meeting in Brandon where we shared successes and challenges with other museums.

A few of the interesting acquisitions this year:

- Cruikshank family memorabilia
- Billy Can (Boy Scout cooking vessel used in the 1920s); Platform scale;
- Ration book (WWII); Military clothes brush, shoe brush, sewing kit, towel (WWII)
- Telegram from a WWII soldier, Herb Kontzie (Dec,1942); Rebekah teacup & saucer
- Manitoba Co-operative wheat producers deduction certificates (1927, 1928)
- Souvenir booklet Arthur School (1932); Wm Cameron & Sons threshing photo (1909)
- Booklet with map (Western Canada 160-acre free lands - 1903); Waterloo School registers; Rupp snowmobile

Thanks to all the visitors, donors, and those who generously supported our Waskada Museum endowment fund, established through the Southwest Manitoba Regional Foundation and administered by The Wpg Foundation. We are almost at the end of the second year of the three-year program backed by the Manitoba government.

All this support encourages the members of the museum committee to continue its efforts to provide a look into our past through our buildings and artifacts!

**We look forward to celebrating our 50<sup>th</sup> anniversary in 2020!**

### **MARRC - Manitoba Association for Resource Recovery Corp.**

**One Drop of Used Oil Makes a Difference. Everyone in Manitoba has done an exceptional job of recycling used motor oil (88% recovery), oil filters (69%) and oil containers (69%). However, when you consider that a single litre of used oil can contaminate a million litres of ground water, it is clear that more needs to be done. That is why we must encourage people to ensure every drop of used oil, every filter, and every container is returned to a collection facility during regular hours so it can be disposed of properly.**
