Re: PRECAUTIONARY BOIL WATER ADVISORY IS ISSUED TO A PORTION OF THE BRENDA-WASKADA DISTRIBUTION SYSTEM

Drinking Water Officer, Nancy Fitzgerald has advised me that the Municipality of Brenda-Waskada water system has met all conditions for rescinding the boil water advisory and that bacteriological testing results meet regulatory standards.

I am therefore rescinding the boil water advisory that was placed on the select areas of the Brenda-Waskada water system as described in the public notice issued March 13, 2020.

Please ensure all water users are notified that the advisory has been rescinded and that normal water usage can be resumed. A copy of this letter can be provided as notification. Notices posted in public locations such as washrooms are to be removed.

Should you have any questions, please contact Nancy Fitzgerald Regional Drinking Water Officer at 204-724-0685.

Sincerely,

Dr. Mahmoud Khodaveisi
Medical Officer of Health
Manitoba Health
