WATERSHED DISTRICT NEWS

The Souris River Watershed District will be implementing a Growing Outcomes in Watersheds (GROW) Program providing annual payments through a 10-year agreement for the conservation of class 1 and 2 wetlands, and the conservation/restoration of upland areas and riparian areas. Forage Seed program is still accepting applications. Please contact the Deloraine Office at 204.747.2530 or mgr.deloraine@srwd.ca for more information.

Final Rural Water Opportunity All Municipal ratepayers who do not have Municipal water are being offered for the last time an opportunity for water hook up. Please call the Municipal office to register your interest.

Please contact the Municipal office directly for any of the following:

Moving – If your mailing address has changed, please advise the office. If you no longer own the property for which you have received a tax notice, please forward the statement to the new owner or return it to the Municipal Office. If you wish your tax bill to be sent to an alternative contact other than that which appears on the bill, please notify the office in writing. We would also need a water meter reading upon vacating the premises.

If you are renting out your property and the tenant is paying the bill then we require a meter reading before the tenant takes over, details for the tenant so that we can send them the bill and a final meter reading when they leave. It is your responsibility to provide the Municipality with these details as you are ultimately responsible for ensuring that the account is paid. Utility bills that are unpaid after 90 days will be transferred to taxes.

Development Permits – Any renovations, construction, moving or demolition of structures requires a permit. Check with the Municipal office regarding zoning, set backs etc.

Burning – Residents and ratepayers are asked to use extra care and caution with regards to burning during drier periods. Before you burn please call **1-800-265-1233** for update restrictions.

Unightly Property – Please keep your property in a neat and tidy condition. It is the responsibility of all of us to ensure that we live in a clean, tidy and safe environment. This is enforced by **By-Law # 17-2018**. Please contact the office should you require further information. Commissionaires By-Law Enforcement have been hired by the Municipality to handle complaints and other bylaw infractions.

Reminder to Residents – There is an animal control By-Law within our communities. Dogs and cats are not permitted to be running at large and are not to be a public nuisance or to bite or threaten any person or animal. It is the responsibility of the cat and dog owner to have the animal vaccinated against rabies. (By-Law #6-2017)

Eco-Centre (located at the Waskada Disposal Site) – collects used oil, filters and containers, used antifreeze and containers. Household batteries can also be disposed of at the Municipal office, Post Office or at Griffith Agencies. – This includes: remotes, flashlights etc. Rechargeable batteries can be deposited at to the recycling centre in town for inclusion in the e-waste. Incentives are available for oil container drop off.

Hazardous Waste Recycling (located at 104 First Street, Waskada) – accepts paint, aerosols, batteries, fluorescent light tubes, and E-Waste.

Recycling - Medora/Napinka/Goodlands/Waskada offer One-Stream Recycling Blue bins (no sort) recycling.

Clean Farms - Medora disposal site is the drop off centre for bale or silage wrap, twine and grain bag recycling.
