Training provided for interested individuals. Must be fit and
healthy and have a willingness to help. Please contact the
Municipal office for more information.**

ARE YOU READY FOR WINTER?

Everyone should carry a Winter Survival Kit in their car. In an emergency, it could save your life and lives of your passengers. Here is what you need:

- a shovel
- windshield scraper and small broom
- flashlight with extra batteries
- battery powered radio
- water
- snack food including energy bars
- raisins and mini candy bars
- matches and small candles
- extra hats, socks, and mittens
- First aid kit with pocketknife
- Necessary medications
- blankets or sleeping bag
- tow chain or rope
- road salt, sand, or cat litter for traction booster cables emergency flares and reflectors fluorescent distress flag and whistle to attract attention Cell phone adapter to plug into lighter

KIT TIPS:

- Store items in the passenger compartment in case the trunk is jammed or frozen shut.
- Choose small packages of food that you can eat hot or cold.

911 tips:

- If possible, call 911 on your cell phone. Provide your location, condition of everyone in the vehicle and the problem you are experiencing.

Follow instructions: you may be told to stay where you are until help arrives.

Do not hang up until you know who you have spoken with and what will happen next.

If you must leave the vehicle, write down your name, address, phone number and destination. Place the piece of paper inside the front windshield for someone to see.

Survival tips:

Prepare your vehicle: Make sure you keep your gas tank at least half full.

Be easy to find: Tell someone where you are going and the route you will take.

If stuck: Tie a florescent flag (from your kit) on your antenna or hang it out the window. At night, keep your dome light on. Rescue crews can see a small glow at a distance. To reduce battery drain, use emergency flashers only if you hear approaching vehicles. If you are with someone else, make sure at least one person is always awake and keeping watch for help.

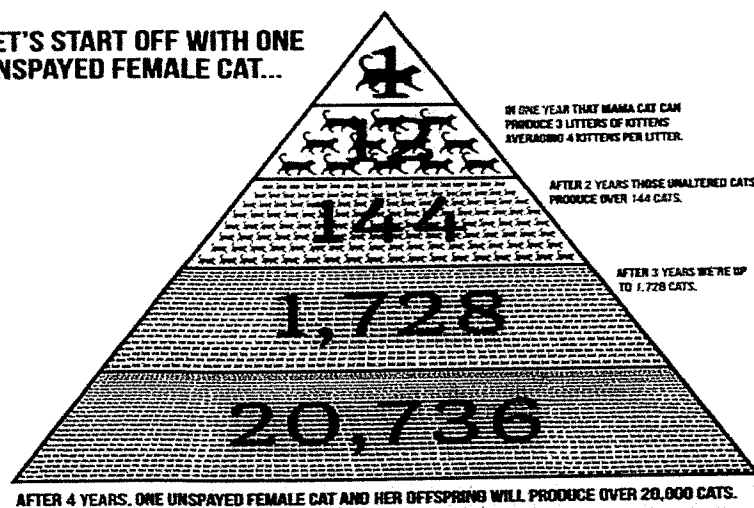

Stay in your vehicle: Walking in a storm can be very dangerous. You might become lost or exhausted. Your vehicle is a good shelter.

Avoid Overexertion: Shoveling snow or pushing your car takes a lot of effort in storm conditions. Do not risk a heart attack or injury. That work can also make you hot and sweaty. Wet clothing loses insulation value, making you susceptible to hypothermia.

Fresh Air: It is better to be cold and awake than comfortably warm and sleepy. Snow can plug your vehicle's exhaust system and cause deadly carbon monoxide gas to enter your car. Only run the engine for 10 minutes an hour and make sure the exhaust pipe is free of snow. Keeping a window open a crack while running the engine is also a good idea.

Do not expect to be comfortable: You want to survive until you are found.

LET'S START OFF WITH ONE UNSPAVED FEMALE CAT...

DO YOU KNOW 20,000 PEOPLE WHO WANT A CAT?

Yeah, neither do we.

The Municipality has been accepting donations and building funds to enable a TNR (Trap Neuter Release) program. With some funds in place our first female cat was caught and spayed. This cat was lucky, as Tammy Klatt found her a home. She was actually a calm kitty who had probably been a pet at some point in her life and not a feral cat. Waskada will now have 20,000 less cats running around! A big thank you to Jesse and Kasey Brown, Ellen Palmer and Bob Brinklow for spotting and trapping her. Please keep donations coming in and more good work can be accomplished.

Waskada United Church

We are offering Live virtual worship services for the Season of Advent & Epiphany
(Nov 29-Jan 3/21) **Sun 9:30 a.m.**

Join in: go to **zoom.us**, choose **Join A Meeting** and enter this **Meeting ID: 833 4775 2956**
or telephone in: **1-204-272-7920** and enter the *same* **Meeting ID**

Our Facebook page has a live link and the Order of Service by Saturday evening.

Note: We record the service for those unable to attend. Participation in the event implies consent.

A link to the recording is posted an hour (or so) later on our Facebook page and is available for 2 weeks.

Tips for a good experience:

- *join with or without video of yourself, as you are comfortable; manage your own controls
- *mute your mic once the service begins (or *6 on the phone)
- *stay for a time of fellowship afterwards (which we do NOT record)

Christmas Eve 7 PM

Join our virtual Live Service – by computer or by phone.

Use the same access information as above. *We are asking for your help to make this as much a 'community gathering' as possible.* Take a picture of your household, with each person holding a lighted candle. For the candlelight to stand out, and so we can still see your faces, we recommend *dim lighting* – not dark – for the room. Send your photos to cstonepc@gmail.com or through Messenger to Waskada UC Facebook page by December 23rd. These photos will be shared during the service, recognizing that we spread God's light and love where we are and where we go.

Our Annual Fall Canvass is underway; donations are accepted by cheque (Waskada United Church c/o Janis Williams), e-transferred to waskadaunitedchurchtres@gmail.com or through CanadaHelps.org

Feeling a bit overwhelmed? You are not alone.
Our pastor, Heather Sandilands, is here to support you:
