Farmers' Markets

Manitoba Farmers' Markets are defined as an essential service under Manitoba's Chief Provincial Public Health Office Order (CPPHO). The market has certain standards that must be met, including the use of physical distancing measures and hygienic practices to reduce the transmission of COVID-19. The Municipality would like to see Farmers Markets again.

We would like to thank Allyson Brown from the Waskada Axillary Ladies for all the years of organization of the past Farmers' Markets!

We are looking for organizations and/or individuals who would like to take this over. We look forward to more organized summer Farmers' Markets.
