

DRIVER 

Instructors Needed!

Manitoba Public Insurance is hiring in-class and in-car driver education instructors.

This role is part-time and flexible. Steer the drivers of the future in the right direction!

Responsibilities include:

- Schedule and deliver classroom instruction, testing and in-car training to high school students.
- Manage student online progress and workload via Driver Education software.

We ask that applicants have completed high school and have an instructor permit (or are willing to acquire the certification). Other requirements include:

- Class 5F (full) licence for at least three years.
- Satisfactory driving record.
- Clean Criminal Record and Child Abuse Registry check.
- Computer skills and regular access to a computer and the Internet.
