To Whom it May Concern;

Enclosed is a copy of both a Scholarship and a Bursary information sheet from the Melita & Area Health Auxiliary. It is being distributed to the appropriate schools and municipal offices in hopes of reaching a wide audience of students and families of students who have interest in pursuing a career in the health care field.

We are requesting your assistance in this matter and hoped you could post this in your office or any applicable websites/Facebook pages. Funds are available to financially assist students in their pursuit in the health care industry. Thank you for your help.

Yours truly,
