PLASTIC BAGS

We want Manitobans to reduce the number of single-use plastic bags they use. Can you help?

Here are some tips for how you can do your part:

- Say "no" when a retailer offers you a bag (plastic or paper.) For a few items, we usually don't need a bag.
- Bring a reusable bag when you go shopping.
- Reuse your "single-use" plastic bags around your home.
 - Use plastic bags for packing material, trash can liners, and to pick up animal waste.
- If you do use plastic bags, return them to a retailer that accepts them for recycling.
- Pack your bags as full as possible! Remember that a plastic bag can hold up to 17 pounds of product – nearly 2000 times its own weight.
- Paper isn't always the better choice. Paper bags take more natural resources to make than plastic bags do.

Remember, **reduce** your use of plastic bags, and **reuse** and **recycle** the ones already in your home.

Do's and Don'ts

Do Recycle

- Brown paper bags – recycle in your blue bin
- Empty bread and produce bags – return to retailer
- Grocery bags – return to retailer

Don't Recycle

- Bio-based or compostable bags
- Bubble wrap
- Cellophane
- Film that has been painted or has excessive glue
- Plastic air bags (i.e. Amazon air packages)
- Plastic overwrap (i.e. Plastic used to bundle paper towels)
- Prepackaged food bags (i.e. Pre-made salad bags, chip bags)
- Resealable plastic pouches (i.e. Frozen vegetable and fruit bags)
- Used saran/cling wrap used to cover food

Empty Grain Bags and Used Baler Twine Can Still be Recycled in Manitoba

Moose Jaw, SK -- (December 1, 2021) – If Manitoba farmers have empty grain bags or used baler twine around the farm, there is still time to tidy up and recycle them before the full onset of winter, Cleanfarms says.

“It doesn’t matter if the grain bags were purchased this year, or if they were left over from previous years,” says Cleanfarms Executive Director Barry Friesen. “As long as farmers take steps to make sure they are free of grain and debris and rolled, we’ll take them at our collection sites for recycling.”

Directions for [preparing grain bags](#) and twine for recycling are included on cleanfarms.ca

Cleanfarms, a non-profit industry stewardship organization that has developed similar recycling programs for used ag plastics across Canada, has operated a multi-location pilot recycling collection program for used empty grain bags in Manitoba since 2013. It also developed and operates the successful small and large pesticide and fertilizer container recycling programs.

In 2020, Manitoba Conservation and Climate asked Cleanfarms to transition the grain bag and twine pilot to a province-wide permanent recycling program that will give Manitoba farmers broader access to recycling for these used ag plastics year-over-year. Under the regulation, responsibility for the permanent program now rests with the companies that supply grain bags and baler twine into the province.

Beginning on December 1, the regulated program includes a non-refundable environmental handling fee (EHF) that helps cover the cost of recycling. It is applied to grain bag and baler twine sales at the time of purchase which usually begins in early summer. For grain bags the EHF will be 25 cents per kilogram; for baler twine of all sizes it will be 33 cents per kilogram.

A similar program that includes an EHF has been in place for the past three years on the sale of grain bags under the provincially-regulated program in Saskatchewan. During this time, Saskatchewan farmers there have consistently surpassed year-over-year recycling rates. The Manitoba-regulated program will help to harmonize the recycling programs across the two Prairie provinces.

Cleanfarms has set up 35 recycling collection sites across Manitoba. Details about the location and hours of operation of each recycling collection site, along with instructions on how to prepare the materials for recycling can be found at

Wishing everyone a Happy New Year!

THANK YOU to our community for their excellent support this past year! The 2021 year end financials were positive numbers that are encouraging and reflect our community is shopping and supporting local business.

Since there are still ongoing issues with food orders (shortages, shipping) there will be no menu plan published for the next while. There is usually a lunch special in addition to subs and burgers, pizza so do phone the store and find out what's available. As well, Wednesday nights has a full meal cooked up and Friday night is a roasted meat. You're welcome to phone the store and find out what's cooking! And order up your meal! Watch the Facebook posts too.

Are you interested in being a board member? There is still a position open. Please contact a board member if you'd like to volunteer or find out more info.

THANK YOU!

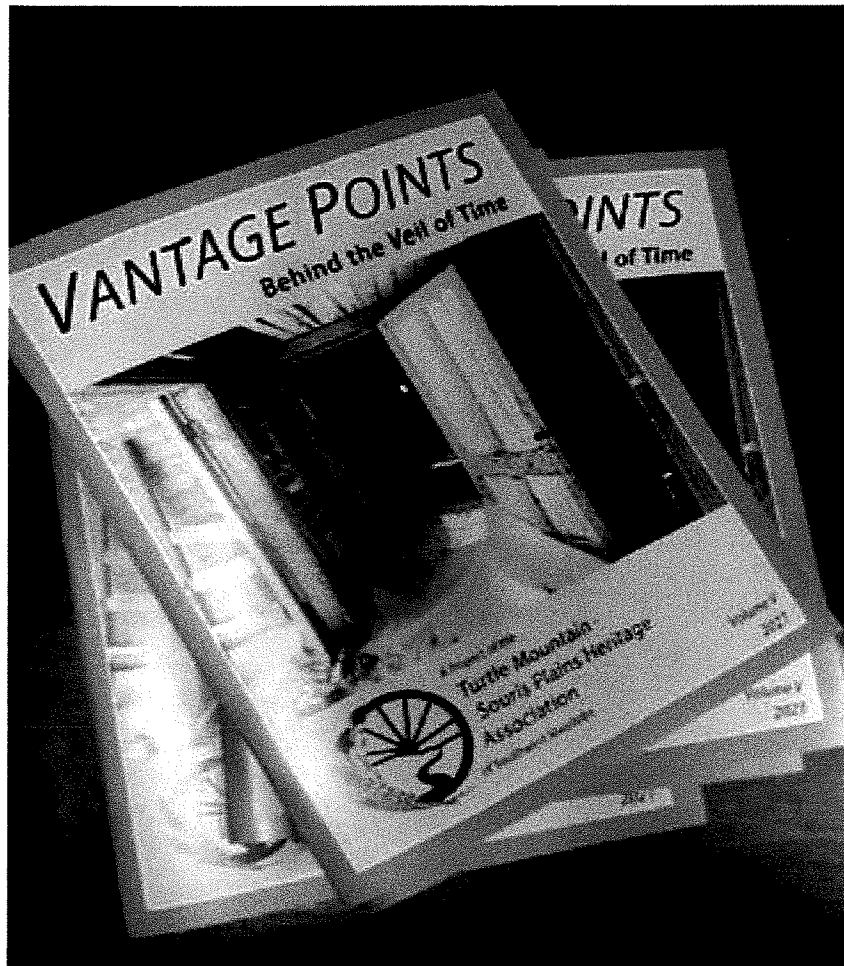

The Lyleton United Church Women wish to express their sincere thanks to the community for their generous support during the past year. May the holiday season bring hope and peace.

Special thanks to Dawn Minne for organizing a special Christmas Car Rally for the community of Waskada on December 19th, 2021. The car rally winners received gift certificates sponsored by the Waskada Eco Centre. Rally winners include Davis Hooper, Julia Ginter, Tenille Saltel and Margie Hannah. Thank you to all who participated in the event.

The community of Waskada would like to thank Viviane McKinney for filling in her time to the Waskada Community Foods store for the weeks when Linda, the Store Manager was away.

VANTAGE POINTS FIFTH EDITION

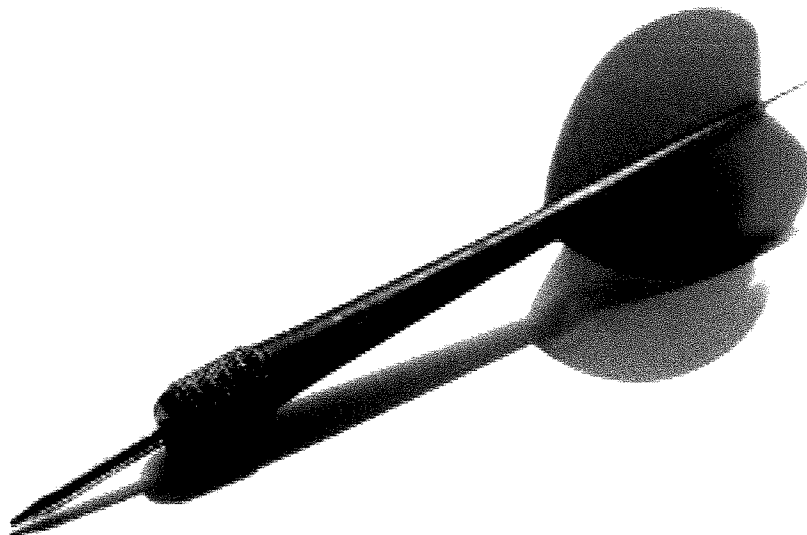

AVAILABLE FOR PURCHASE AT THE
MUNICIPAL OFFICE

For the 2022 year, we would like to expand and brainstorm ideas to improve our programming for the Municipality of Brenda-Waskada. We would like your input to what activities you would like to see for this Municipality. Please let the Municipal office know what ideas you may have to enhance programming. For example: paint classes, bingos, book clubs, language classes, darts leagues are some examples that may be of interest. Please let us know of your ideas.

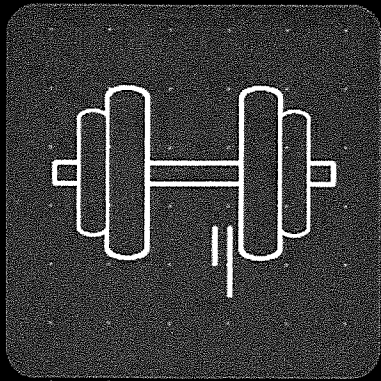

We welcome all activity suggestions.

Thank you for your input.

Goodlands 4-H Variety Club December News Report

By: Ainslee & Kaden McGregor

Goodlands 4-H Variety Club held their re-organizational meeting by zoom on Friday, December 3 with six members and one co-head leader in attendance. Two members and one co-head leader were unable to attend, and one person has expressed interest in joining the club since the meeting.

Before starting the official meeting, members played a game called "What's in Your Bag?" where each member put as many items as they could in their backpack without anyone else knowing what the items were. Then one person at a time would describe something in their backpack using one word and everyone else had to find an item in their bag that also went with that description (eg. A person could describe a teddy bear as something fluffy and everyone would see if they had something in their bag that was fluffy and if they did, they could pull it out to show).

The meeting was called to order by Co-Head Leader, Coral Meggison, and the members recited the 4-H pledge in Disco style. Members introduced each other and one thing each member likes.

Nominations and voting for positions were held next and the results were:

President – Sarah Meggison

Vice President – Dylan Radcliffe

Secretary – Bennett Radcliffe

Treasurer – Ainslee McGregor

Attendance Keeper – Kaden McGregor

Photographer – Teagan Maddess

It was decided that Media Watch and News Reporter would be decided at another meeting.

It was decided a doodle poll would be sent out to all members to determine a January meeting date.

If anyone is interested in joining the Goodlands 4-H Variety Club, please contact either Co-Head Leader:

Coral Meggison (658-3361 or 522-5226) or Sharlene McGregor (673-2344 or 522-6545)
