A black and white photograph of two hands holding a heart shape behind a chain-link fence. The hands are positioned at the bottom of the frame, with the fingers spread to hold a heart-shaped object. The chain-link fence is in the foreground, creating a grid pattern over the entire image. The background is a bright, overexposed area, possibly a sky or a wall.

Prairie Vision ARTS COUNCIL

The Prairie Vision Arts Council (PVAC) is a non profit organization that supports the town of Melita and the Municipality of Two Borders and the Municipality of Brenda- Waskada. Some of the goals of PVAC are:

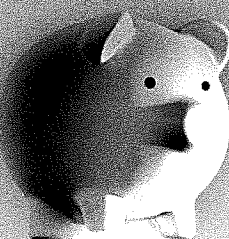

- to improve the quality of life in their communities
- coordinate existing Art Programs and Organizations -
- to develop long term educational programs in Dance, Music, Theatre, Visual and Literary Arts
- assist local artists in developing their talent

Due to the restrictions of the past two years, there hasn't been the opportunity to meet all the Council's goals but they are anxious for the time when they can bring more entertainment etc to their communities and to the beautiful, voluntarily renovated Melita Strand Theatre. The Arts Council owns and operates the theatre where there is always an ongoing need for volunteer projectionists to run the movies.

The PVAC meets monthly and are looking for people to join their organization. If the Council sounds like something that you would be interested in being a part of, please PM here or reach out to any of the members: President Bill Warren, Pat Franklin, Sherri Murray, Brittany Walker, Joanne Juce, Jim Smart or Sect/Treas Ray Smithson. The PVAC would really like to have you on their team. More members means more ideas which means more opportunities for everyone.
