New Service Announcement

RFNOW Fibre Starts at 300/300 Mbps and Unlimited Data

RFNOW and the Municipality of Brenda-Waskada are pleased to announce the expansion of RFNOW's fibre network to the residents and businesses of Brenda-Waskada. This important build will provide residents and businesses throughout the Municipality with services starting at 300/300 Mbps and unlimited data.

The fibre optic package is available for \$142.95/month for residential service and a \$0.00 installation fee.

To sign up for RFNOW fibre service, please contact the RFNOW Sales Team by email at sales@rfnow.com or by phone at 204-748-4812

RFNOW is projecting that in 2022 and 2023, 90% of the customers who have signed will be connected to fibre. RFNOW is targeting getting to Waskada in 2022. As RFNOW installs the distribution fibre, customers will be connected along the way.
