Dear SHSD Families and Staff,

It is my sincere hope that you have enjoyed a relaxing summer with plenty of time in the sunshine with friends and family. Although the summer holidays have been a well-deserved break from school routines for students, families, and staff, we are looking forward to beginning the 2022/23 school year with a return to in-person learning including full access to enriching school experiences and extracurricular activities. It is time to focus on re-establishing relationships and routines in support of student learning, success, and well-being.

The health, safety, and well-being of students and staff remain a top priority, and all public health updates can be found at <u>COVID-19 Information for Manitobans</u>. As students are welcomed back to full in-person learning this fall, the government of Manitoba continues to recommend the following public health fundamentals are applied as we live with COVID-19, including:

- continuing to request staff and students to monitor daily for signs and symptoms of COVID-19;
- continuing public health measures and infection prevention practices such as ventilation improvements, staying home when sick, frequent hand washing with easy access to hand hygiene products, practicing respiratory etiquette (i.e. covering coughs and sneezes), and routine cleaning and disinfection protocols with a focus on high-touch surfaces and common areas including washrooms;
- encouraging students and staff to be vaccinated (COVID-19 and routine immunizations) when eligible;
- continuing to follow public health guidance on mask use and ensuring that individual choice regarding mask use is respected (see https://manitoba.ca/covid19/resources/masks.html);
- continuing to have masks and rapid antigen tests available for staff and students and,
- having plans in place for when students become ill at school and for different scenarios, in the
 event that additional public health measures need to be re-implemented (e.g. physical
 distancing and public health mandated mask use).

We will continue to follow the Public Health Recommendations listed above as we focus on well-being for all and high-quality learning and teaching. We look forward to reconnecting next week. Welcome back!

Sincerely,

Carolyn Cory Superintendent

COME HEAR ABOUT THE PLANS
FOR OUR STUDENTS AT WASKADA
SCHOOL THIS YEAR!

BE INFORMED! HAVE YOUR SAY!

The Waskada Soccer Club held its season windup on Wednesday, June 22 at Waskada Park. A fundraising BBQ supper was prepared for families with food donation from Boundary Co-OP.

Coaches Kaitlyn Burgess, Christina Olson, and Justine Faux organized some fun soccer activities for players and families. Coach Kaiti Hatt was unable to attend.

After we enjoyed our BBQ Ang Temple and Katie Thom shared comments from the season and thanked the Waskada Athletic Club, Waskada Lions Club, and the Municipality of Brenda Waskada for their financial support this season. Thank you to Lindsay Ginter for managing the older team. They also thanked Boissevain Soccer Club for answering so many questions and sharing information from their club. A huge thank you to Jeff Morgan for being so quick to help with anything we needed! Thank you to Conrad Kelm for assisting us with equipment.

Our coaches and assistant coaches were recognized with lovely gifts organized by Jill Guenther and Jamie Griffith.

We were excited to announce that we have started a jersey sponsorship campaign and have received support from Tundra Oil and Gas, Shur-Gro Farm Services and Boundary Co-OP!

Coaches presented certificates and team photos to players.

We are looking forward to next season! We would appreciate any coaches or helpers and if you are interested please contact Katie Thom or Ang Temple for more information.
