# WASKADA COMMUNITIES IN BLOOM

Wishes to thank all those who freely  
donated their time and efforts and plants!  
(YOU ALL KNOW WHO YOU ARE AND ARE  
VERY MUCH APPRECIATED!!)

Special shout out to the Municipality of Brenda  
Waskada for materials to build a raised flower bed,  
Viv and Jeff McKinney for well aged compost,  
Ron Stewart for dirt which allowed us to get  
planting!

Waskada Legion for the beautiful flowering  
ornamental crab tree!

Enjoy your summer 😊

# Thank you!

If you volunteered in the rink this winter, donated food, helped flip hamburgers or wiped down tables, this **Thank You is for you!** Volunteerism and donating are alive and well in our community.

Our longtime volunteer Treasurer of the Rink Concession, Margie Hannah, just brought in a cheque for \$9000 that was the proceeds from Nana's Kitchen this past season.

Countless volunteers kept things going smoothly, but we do need to single out Paul More for getting us started in the kitchen and training everyone on the finer points of running a kitchen and to Carla Lee behind the scenes making sure supplies were ordered and fridges were stocked.

Please come out and support Nana's Kitchen this summer operating under the capable hands of Haley Wickham. The kitchen hours are 11am to 7pm, Monday to Friday.

Your Rink Committee: Carson Spence, Don Wickham, Dallas Rowe, Donna Stewart, Bob Brinklow

# Thank You!

On May 18, 2023, the Waskada Wee Ones Early Learning Centre board of directors hosted a staff appreciation barbecue. They were thrilled to celebrate 10 years of employment for Wendy May and Mari Gustafson. It was exciting to recognize Mary Emrick's graduation with her ECE level II diploma. Thank you as well to Crystal Currie, Charlie Lee, Celle Thom, and Laurienna May for creating a loving environment for our children! Each of you are truly appreciated! Thank you also to Boundary Co-op for donating the cake and to Borderfest for the use of their barbecue!

The Graduation Class of 2023 would like you to join them in celebrating their graduation on Monday, June 26<sup>th</sup>. They are having a parade at 3:30pm through the town of Waskada. The Ceremony, grand march, and school awards are at 7:00pm in the gym .

Everyone welcome.

## Waskada Legion Auxiliary

Our Auxiliary held a Spring Tea on Saturday, May 13<sup>th</sup>. This was the first tea we've been able to hold since our Poppy Tea in November 2019.

Teas are a major fundraiser for our organization. We are so pleased with the attendance and support of our local community.

We would like to thank our vendors. Dawn Minne with her cupcake bouquets and Janice Dobroski with Tupperware.

Thank you to everyone who purchased tickets for our 50/50 raffle. The total amount collected was \$1040.00. The draw was made at our tea. Congratulations to Virginia Pollard of Thunder Bay, Ontario who was the winning ticket pulled. She won \$520.00.

With the money we raise we continue to support our local legion as well as charities such as the Salvation Army, Mary's House, Deer Lodge Hospital, and the Shilo Military Family Resource Centre. When there is need, we support youth organizations, Cadets, and local 4-H clubs. At a local level we support Waskada School through our Remembrance Day poster Contest and Grad Scholarships. We purchase poinsettias through the Waskada Parent Advisory Council and then deliver them at Christmas to members of the community.

We meet on the third Wednesday of the month at 7:30 in the Legion Hall. We do not have meetings in July or August. We would welcome new members. If anyone is interested in becoming a member or would like to learn more about our organization please contact: President Allyson Brown 673-2687, Treasurer Deb Spence 673-2246, Secretary Cathy Bambridge 649-2259.

# The Pillars of an Age Friendly Community

The sharing of stories often ignites interest and assists other communities in continuing on their path of becoming more age-friendly! Your experiences are valuable! If you have stories that you'd like to share we'd love to hear from you. As we continue to recap the information on the eight pillars of an AF community, we would like to thank all of MB's AF communities for forging the pathway - recognizing that a community is cohesive and integrated when its residents feel safe, thus encouraging them to go about their daily lives independently and promoting social integration between generations.

## Outdoor Spaces & Buildings

People need public places to gather — indoors and out. Green spaces, seating and accessible buildings (elevators, zero-step entrances, staircases with railings) can be used and enjoyed by people of all ages.

The external environment has a major impact on the mobility, independence and quality of life of older people as they go about their daily lives beyond the comfort of their homes. A clean, well-maintained recreational areas, ample rest areas, well-developed and safe pedestrian and building infrastructure, and a secure environment provides an ideal living environment for seniors to age-in-place in.

Narrow, uneven, cracked and congested pavements are potential hazards for older people, compounded by the weather when it rains or snows. Cars parked on pavements and cyclists also pose safety risks as pedestrians are forced to walk on the roads. Pedestrian crossing lights that change too quickly are another danger for older pedestrians, who may rather not go out in extreme cases. A lack of rest areas makes it even more difficult for seniors to get around when they tire. Public facilities and shops located far away from where seniors live would deter seniors from using these facilities.

## Transportation

Accessible and affordable public transport is key to ensuring community's elderly population is able to age actively and remain engaged with their community, with access to health and social facilities. Driving conditions and parking facilities in a community should also keep older drivers in mind.

Driving shouldn't be the only way to get around. Pedestrians need sidewalks and safe, crossable streets. Dedicated bicycle lanes benefit nondrivers and drivers alike. Public transit options can range from the large-scale (trains, buses, light rail) to the small (taxis, shuttles or ride share services).

Driving can be an essential transportation option for older people, particularly in suburban and more remote residential areas. Heavy traffic, poor road conditions, inadequate street lighting and poorly positioned signage are some barriers to driving, particularly as older people may face vision difficulties. Maintaining confidence as drivers age is also important in ensuring a safe driving experience for all.

Parking bays close to buildings and drop-off and pick-up bays are welcomed by older adults, too.
