Waskada And Area Community Recreation Center

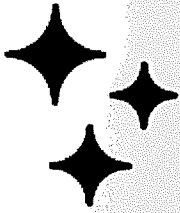

For the 2025/2026 skating and curling season, the Board is asking all families/parents/guardians to take a shift or two in the kitchen during the season.

The Board can't thank volunteers enough for their time and effort but the time has come to lean on members of the Recreation Center.

The Waskada and Area Community Recreation Center **ice** will be shut down for maintenance from October 1-18, then open for business as usual.

Please help out when requested as this helps to keep the facility viable and membership costs down.

The Board looks forward to your participation and wish you a great recreation season!

A HUGE THANK YOU!

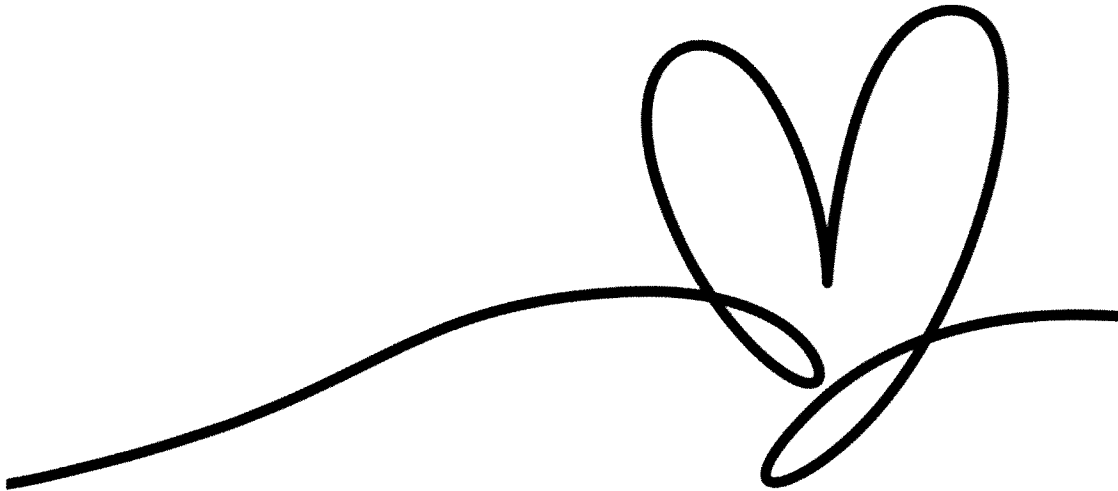

The support we have experienced from our community after our house fire has been overwhelming. The visits, food donations of clothing, the monetary support and the many offers of help etc. have been and are very much appreciated along with the benefit supper held in the Waskada and Area Recreational Centre that many of you supported and were involved with.

This has been a very overwhelming and humbling experience to know and feel the love and support of our family, church and community.

A huge thank you to the Deloraine Fire Department, not only for your quick response and hard work at the fire, but for your support after with the BBQ benefit, clothing drive, and donation account at SCU (Sunrise Credit Union). What a remarkable and amazing community we live in!

Blessings to you all,

Alton and Lori Gervin and family

Funeral Policy

- The term funeral is a service recognizing the end-of-life event where a presider is desired by the family, such as a celebration of life, to be conducted in the Waskada United Church building
 - That preference is given first to trained presiders within Cornerstone Pastoral Charge.
 - Should a presider within the Pastoral Charge not be available due to any circumstance, a presider from the funeral home may lead the service.

Fall Canvass

We will be starting our Fall Canvass November 1 and would like to have it completed by December 15. We greatly appreciate the donations received during this time. Your support helps us to remain a part of the community.

Fall canvass donations can be mailed to Box 35 Waskada, MB R0M 2E0, dropped off at Griffith Agencies or e-transfer to waskadaunitedchurchtres@gmail.com (no password required). As an alternative, making smaller monthly contributions through the Pre-Authorized Remittance (PAR) program is convenient, easy and automatic. Email waskadaunitedchurchtres@gmail.com for further information.

Official receipts will be issued in Jan 2026.

Did You Know...?

Waskada United Church has:

- Wheel chair access to the building
 - Wheel chair accessible washroom
 - Wifi
 - Cell booster
 - Kitchenette
 - Is available for meetings, gatherings, showers, workshops

Deloraine & Area Food Cupboard

October is Waskada and Area's month to collect items for the Deloraine & Area Food Cupboard

Donations of **non-perishable** food items and **personal hygiene products** are greatly appreciated.

- Please no damaged packaging or expired products
- Examples of food items: juice, cereal, pasta, canned vegetables, peanut butter, jam, canned soup, coffee, packages of pudding & jello, hamburger helper
- Examples of hygiene products: laundry detergent, toilet paper, tooth paste, shampoo & conditioner, soap
- Collection boxes will be set up at the Waskada Community Food Store and the Waskada United Church

In 2020, we did a monetary donation drive and raised \$900 which we kept separate in our account. Over the past five years, the Deloraine Food Cupboard Rep contacts our Waskada Rep with specific items they require and we purchase the items from our local Waskada Community Food Store. It is a win/win for everyone helping others and supporting local. These funds are nearly depleted and this works really well for everyone so please consider a monetary donation.

If you would like to make a donation, please mail cheque to:

Waskada United Church

Box 35

Waskada, MB R0M 2E0

Or e-transfer to waskadaunitedchurchtres@gmail.com

Please indicate that it is a donation for the food bank on cheque or e-transfer.

If you have any questions, please contact Sharlene McGregor, Waskada United Church Food Cupboard Rep (call/text: 204-522-6545)

CHARGE into Fire Safety™

Lithium-Ion Batteries in Your Home

Most of the electronics we use in our homes every day are powered by lithium-ion batteries. In fact, most everything that's rechargeable uses this kind of battery.

e-bikes

hoverboards

LITHIUM-ION BATTERIES store a lot of energy in a small place. These batteries can overheat, start a fire, or explode if overcharged or damaged. By learning how to **BUY**, **CHARGE**, and **RECYCLE** these batteries safely, you can help prevent a fire in your home.

BUY only listed products. When buying a product that uses a lithium-ion battery look for a safety certification mark such as UL, ETL, or CSA. This means it meets important safety standards.

STOP using your device right away if the battery smells weird, gets too hot, makes popping noises, changes in shape or color. If it is safe, move the device away from anything that can catch fire. Call **9-1-1**.

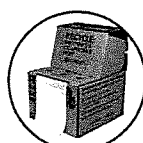

CHARGE devices safely. Always use the cables that came with the product to charge. Follow the instructions from the manufacturer. Buy new chargers from the manufacturer or one that the manufacturer has approved.

RECYCLE batteries responsibly. Don't throw lithium-ion batteries in the trash or regular recycling bins because they could start a fire.

CHARGE your device on a hard surface. Don't overcharge your device. Unplug it or remove the battery when it's fully charged.

RECYCLE your device or battery at a safe battery recycling location. Visit **call2recycle.org** to find a recycling spot near you.
